

Facilitation 101

**Held on Tuesday, September 20, 2016
Audubon Society of RI, 12 Sanderson Rd, Smithfield, RI**

7 AICP credits offered

Workshop participants will acquire the skills and tools needed to manage efficient and effective meetings. They will:

- Learn and practice facilitation skills
- Determine what type meeting best moves the group toward the desired objectives
- Develop and use basic facilitation agendas and tools
- Learn what motivates disruptive behaviors in meetings and practice an intervention strategy to manage the disruptions

Target Audiences: natural resource managers (federal, state, local), municipal staff, officials, and volunteers, NGO staff and other interested parties

This course is taught by national trainers from NOAA's Office for Coastal Management.
